

## Participant Pre-screening & Special Needs

### Special Needs:

Pathfinder Ranch strives to provide a positive and memorable experience for all campers. We recognize that not all camps are designed to meet every need. If your child has a special need, we would like to review with you ways in which we can meet those needs and provide great summer camp memories.

Please contact us at 951-659-2455 or [summercamps@pathfinderranch.com](mailto:summercamps@pathfinderranch.com) so that we can get to know a little bit more about your child and provide you with the information you need to decide if Pathfinder Ranch is the right camp for you.

### Pre-screening:

Additionally, please be aware that the activities at camp can be active and rigorous. All of our campers are empowered to try new things but they always have the choice to refrain from participation, and Pathfinder Ranch staff will respect that choice. We encourage all of our participants to pre-screen themselves and their children for the following medical conditions prior to participation in Adventure Program activities.

For your safety and for the safety of those around you, please DO NOT participate in Adventure Program (Climbing, Alpine Tower, Zip-line, Horseback Riding, Hiking, Canoeing, etc.) activities if any of the following conditions apply:

- Over 250 lbs. in body weight
- Pregnancy
- Cardiac Disease
- Received an organ transplant
- Currently experiencing Abdominal Organ Enlargement (ex: Mononucleosis)
- Active orthopedic and/or joint problems such as rheumatoid arthritis, recent fracture or sprain, current sutures or staples
- History of head, neck, or back injuries
- Any condition that a physician has determined creates a limitation to physical activity or if you think that participating in Adventure Program activities will aggravate any previous medical condition
